About Us

Luminaire Authentik offers custom lighting for commercial & residential projects. Inspired by organic and minimalist aesthetics, our lamps are designed and manufactured in our Quebec workshop. 100% of our materials are local. Our products are known for their endless configuration possibilities and unique colour palette. There are over 18174 possible combinations and 50 unique colours to choose from. Every step of the creation process is customizable, which means you have total freedom in the design of your own light fixture.

•

Luminaire Authentik propose des solutions d'éclairage sur mesure pour projets commerciaux et résidentiels. Inspirés par l'esthétique organique et minimaliste, nos luminaires sont conçus et fabriqués dans notre atelier au Québec. 100% de nos matériaux sont locaux. Nos produits sont reconnus pour leurs possibilités de configuration infinies et leurs palettes de couleurs uniques. Il y a plus de 18174 combinaisons possibles et 50 couleurs uniques sont offertes. Chaque étape du processus de création est personnalisable, ce qui signifie que vous avez une liberté totale dans la conception de votre propre luminaire.
