Flora

SS.2024

Flora is the name given to our new luminaire, combining wavy shapes with post-modern influences and our existing geometric model, Nomad.

Our collection of objects has been designed to reflect our identity and colors, showcasing our essence.

Made from 100% recyclable Aluminum for indoor & outdoor use.

Sustainability

At Luminaire Authentik, our commitment to a sustainable and eco-conscious vision goes beyond mere craftsmanship. We integrate environmental responsibility into our brand's core, emphasizing our dedication to creating products that illuminate spaces without burdening our planet.

Artist Residency

For the past 3 years we've been showcasing the Quebec art scene with a collection of luminaires in collaboration with a selected artist.

What to expect from us

Over the ten years, we have been making diverse range of lighting projects, from extended chandeliers to flush mount wall sconces in hotels, restaurants, commercial & residential projects. Working closely with our clients, we bring expertise in functionality and design, acting either as design consultants and/or manufacturers. Our flexibility allows us to adapt to the unique needs of each client, ensuring a tailored approach to every project.

We collaborate with experts in glass blowing, precision cuts, and a wide array of finishes across different materials, we guarantee the highest quality in our products.
